AUTHORITY TO PUBLISH

Dear Parent/Guardian,

Our school would like your permission to publish a sample of your son/daughter’s work or a photograph of your son/daughter on a school or Department of Education and Communities website.

If you sign this release form, it means that you agree to the following:

- The school is able to use your child’s photograph as many times and in as many ways as it requires, and your child’s name will not be identified.

The school will not use your photograph for any purpose other than the education of students or the general promotion of public education. We respect your privacy and will not make your personal information available to any other organization.

If you agree to permit the school to publish your child’s work or photograph, please complete this form and return it to the school.

I have read this forma and understand what it means and agree to the conditions.
